

STATE OF MAINE  
PUBLIC UTILITIES COMMISSION

DOCKET NO. 2003-395

June 17, 2003

Boothbay Region Water District  
Application for Approval of  
Issues of Securities (§902) (\$200,000  
Private Lending Institution)

ORDER APPROVING  
ISSUES OF SECURITIES

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

On June 3, 2003, the Boothbay Region Water District (the District) filed with the Commission its application for authority to issue its bonds in a sum not to exceed \$200,000 through the First National Bank of Damariscotta, at an annual rate not to exceed 2.5 percent through Year 2005 and thereafter at a variable rate of the then current prime rate less 2 percent. The debt will be paid over a term not to exceed 29 years. In this Order, we approve the District's application.

The District requires these funds for the purpose of installing a fluoridation process to be combined with the Water Treatment Plant at Adams Pond in Boothbay, Maine. The Towns of Boothbay, Boothbay Harbor and Southport voted to fluoridate the public water supply in November 2002.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bonds are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to 35-A M.R.S.A. § 902 (4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, we

O R D E R

1. That the Boothbay Region Water District is hereby authorized to sell its bonds in a sum not to exceed \$200,000 to be used solely for the purposes described in this Order, and at a rate not to exceed 2.5 percent through Year 2005 and thereafter at a variable rate of the then current prime rate less 2 percent per year through the First National Bank of Damariscotta for a term not to exceed 29 years.
2. That the District report to this Commission, in writing, its actions pursuant to this Order within (60) days of the date of the sale of the proposed bonds, or by September 1, 2003, whichever may come first.

3. That the Administrative Director is hereby directed to mail an attested copy of this Order to interested parties and to close this Docket.

Dated at Augusta, Maine, this 17<sup>th</sup> day of June, 2003.

BY ORDER OF THE COMMISSION
